

ESTEEM DENTAL AUTOCLAVE

ESTE-135- ESTEEM DENTAL AUTOCLAVE

Esteem Glass Bend Sterilizer complete body made of complete stainless steel with inner chamber also made of thick stainless steel, thermostatically controlled for temp from 50°C to 300°C. Supplied complete with glass beads suitable for instant sterilization of needles, forceps, beads etc. We at Esteem Industries INC are the Manufacturer & exporter of Glass Bead Sterilizers for more than a decade. We have supplied our units to over 26 countries and they are being used by various professionals. Glass Bead Sterilizer is also being used as medical sterilizing equipment, dental sterilizing equipment, biotechnology sterilizing equipment, podiatric sterilizing equipment etc. In continuation to our existing models Glass Bead Sterilizers, we have developed new innovative Models EST-DA500, EST-DA-1000, and EST-DA2000 - these units are incorporated with a digital temperature indicator which continuously display the temperature being maintained in the glass beads. The units continue to be an effective method of sterilization, killing all spores, bacteria, within 10 seconds.
